BSG GLASS

TOTAL GLASS SOLUTION

BACKGROUND & DEVELOPMENT

The history began in 1962 under the name of "Buan Heng Seng Part., Ltd." which initially focused on automotive glass. After accumulating 50 years of experience, the company has successfully expanded the business and changed the name to "Thai Techno Glass Co., Ltd." which is operated under brand "BSG GLASS". Due to visionary executives and competent personnel, today the company has become a glass leading innovator with more than 400 employees supplying products to various projects such as construction sites, architectural & interior works as well as furniture and decoration. In order to support high demand and customization, the company has installed a whole large set of high performance glass processing machines imported from Finland, Italy and the Netherlands which efficiently maximizes quality and productivity.
